Overview of this Act

The main purpose of this Act is to provide a framework for the proper management of public money and public property. **Public money** and **public property** are defined in section 5. Broadly, those terms refer to money or property that is owned or held by the Commonwealth, including money or property held on trust.

This Act contains rules about how public money and property are to be dealt with. Many of the detailed rules are in Finance Minister's Orders made under section 63 and regulations made under section 65.

Many of the rules in this Act apply to officials of Agencies and to Chief Executives of Agencies. **Agency**, **official** and **Chief Executive** are defined in section 5.

1 Short title [see Note 1]

This Act may be cited as the *Financial Management and Accountability Act 1997*.

2 Commencement [see Note 1]

- (1) Subject to subsection (2), this Act commences on a day to be fixed by Proclamation.
- (2) If this Act does not commence under subsection (1) by 1 July in the next calendar year after the calendar year in which this Act receives the Royal Assent, it commences on that 1 July.

3 This Act binds the Crown

This Act binds the Crown in right of the Commonwealth, but does not make the Crown liable to be prosecuted for an offence.

4 This Act extends to things outside Australia

This Act extends to acts, omissions, matters and things outside Australia (unless the contrary intention appears).

Part 2—General provisions about definitions and offences

5 Definitions

In this Act, unless the contrary intention appears:

Agency means:

- (a) a Department of State:
 - (i) including persons who are allocated to the Department (for the purposes of this Act) by regulations made for the purposes of this paragraph; but
 - (ii) not including any part of the Department that is a prescribed Agency;
- (b) a Department of the Parliament, including persons who are allocated to the Department (for the purposes of this Act) by regulations made for the purposes of this paragraph;
- (c) a prescribed Agency.

appropriation means an authority under this Act or any other law to draw money from the Consolidated Revenue Fund, whether or not the law concerned uses the word “appropriation” or “appropriated”.

bank means:

- (a) a person who carries on the business of banking, either in Australia or outside Australia; or
- (b) any other institution:
 - (i) that carries on a business in Australia that consists of or includes taking money on deposit; and
 - (ii) the operations of which are subject to prudential supervision or regulation under a law of the Commonwealth, a State or a Territory.

Chief Executive means:

- (a) for a prescribed Agency—the person identified by the regulations as the Chief Executive of the Agency; or

- (b) for any other Agency—the person who is the Secretary of the Agency for the purposes of the *Public Service Act 1999* or the *Parliamentary Service Act 1999*.

CRF or **Consolidated Revenue Fund** means the Consolidated Revenue Fund referred to in section 81 of the Constitution.

Department of the Treasury means the Department administered by the Treasurer and includes:

- (a) persons who are allocated to the Department (for the purposes of this Act) by regulations made for the purposes of subparagraph (a)(i) of the definition of **Agency** in this section; or
- (b) any part of the Department that is a prescribed Agency.

Finance Minister means the Minister who administers this Act.

Finance Minister's Orders means Orders made under section 63.

Minister includes a Presiding Officer.

official means a person who is in an Agency or is part of an Agency.

official account means a bank account referred to in section 9.

prescribed Agency means a body, organisation or group of persons prescribed by the regulations for the purposes of this definition.

Presiding Officer means the President of the Senate or the Speaker of the House of Representatives.

public money means:

- (a) money in the custody or under the control of the Commonwealth; or
- (b) money in the custody or under the control of any person acting for or on behalf of the Commonwealth in respect of the custody or control of the money;

including such money that is held on trust for, or otherwise for the benefit of, a person other than the Commonwealth.

public property means:

- (a) property in the custody or under the control of the Commonwealth; or

Section 6

- (b) property in the custody or under the control of any person acting for or on behalf of the Commonwealth in respect of the custody or control of the property;
including such property that is held on trust for, or otherwise for the benefit of, a person other than the Commonwealth.

- (a) a Special Account that is established by the Finance Minister under section 20; or

Special Instruction means an instruction by the Finance Minister under section 16.

special public money has the meaning given by section 16.

6 Notional payments and receipts by Agencies

If:

- (a) either:
(i) an Agency makes a notional payment to another Agency; or
(ii) one part of an Agency makes a notional payment to another part of that Agency; and
(b) the transaction would involve the debiting of an appropriation if the notional payment were a real payment;

then:

- (c) this Act applies in relation to the notional payment as if it were a real payment; and
(d) this Act applies in relation to the notional receipt of the notional payment as if it were a real receipt.

Note: This section applies to transactions that do not actually involve payments or receipts, because the parties to the transaction are merely parts of the Commonwealth, or acting as agents for the Commonwealth. For example, Agency 1 “pays” Agency 2 for services provided by Agency 2. One of the effects of this section is that a drawing right under section 27 will be required for the transaction.

Part 3—Collection, custody etc. of public money

8 Agreements with banks about receipt, transmission etc. of public money

- (1) The Finance Minister may, on behalf of the Commonwealth, enter into an agreement with any bank:
 - (a) for the receipt, custody, payment or transmission of public money, either inside or outside Australia; or
 - (b) for any other matter relating to the conduct of the banking business of the Commonwealth.
- (2) An agreement under this section may provide for the payment of interest and other charges by the Commonwealth.
- (3) An agreement under this section may not provide for overdraft drawings by the Commonwealth unless it provides for each drawing to be repaid within 30 days.

Note: An overdraft drawing consists of the bank meeting the payment of a cheque, or making an “electronic payment” to another account, and in each case debiting the payment against an account that has an insufficient balance. Section 38 deals with overdrafts that arise in respect of *advances* that are paid to the Commonwealth.

- (4) An agreement for an overdraft on an official account must not be made except under this section.
- (5) An agreement under this section may not be made for a period of more than one year unless the agreement can be terminated by the Commonwealth at any time after giving notice of not more than 6 months.

9 Official bank accounts

- (1) The Finance Minister may open and maintain bank accounts in accordance with agreements under section 8, and must open and maintain at least one such bank account.
- (2) A bank account must have a name that includes the word “Official”.

Section 10

- (3) An account for the receipt, custody, payment or transmission of public money must not be opened except in accordance with this section.

10 Public money must be promptly banked etc.

An official or Minister who receives public money (including money that becomes public money upon receipt) must bank it as required by the regulations or otherwise deal with it as required by the regulations. For this purpose, *money* includes cheques and similar instruments.

Penalty: Imprisonment for 2 years.

Note: Chapter 2 of the *Criminal Code* sets out the general principles of criminal responsibility.

11 Public money not to be paid into non-official account

An official or Minister must not deposit public money in any account other than an official account. For this purpose, *money* includes cheques and similar instruments.

Penalty: Imprisonment for 7 years.

Note: Chapter 2 of the *Criminal Code* sets out the general principles of criminal responsibility.

12 Receipt and spending of public money by outsiders

- (1) An official or Minister must not enter into an agreement or arrangement for the receipt, custody or payment of public money by an outsider unless:
- (a) the Finance Minister has first given a written authorisation for the agreement or arrangement; or
 - (b) the agreement or arrangement is expressly authorised by this Act or by another Act.

Penalty: Imprisonment for 7 years.

Note: Chapter 2 of the *Criminal Code* sets out the general principles of criminal responsibility.

- (2) An outsider commits an offence if:
- (a) the outsider receives or has custody of public money under an agreement or arrangement mentioned in subsection (1); and
 - (b) the outsider makes a payment of the public money; and
 - (c) that payment is not authorised by the agreement or arrangement.

Penalty: Imprisonment for 2 years.

Note: Section 27 allows a drawing right to be issued to an official or a Minister to debit an amount against an appropriation (as a result of a payment of public money by an outsider).

- (3) In this section:

outsider means any person other than the Commonwealth, an official or a Minister.

13 Money not to be withdrawn from official account without authority

An official must not withdraw money from an official account except as authorised by the regulations.

Penalty: Imprisonment for 2 years.

Note: Chapter 2 of the *Criminal Code* sets out the general principles of criminal responsibility.

14 Misapplication or improper use of public money

An official or Minister must not misapply public money or improperly dispose of, or improperly use, public money.

Penalty: Imprisonment for 7 years.

Note: Chapter 2 of the *Criminal Code* sets out the general principles of criminal responsibility.

15 Liability for loss of public money

- (1) If:
- (a) a loss of public money occurs; and
 - (b) at the time of the loss, an official or Minister had nominal custody of the money as described in subsection (2);

Section 16

the official or Minister is liable to pay to the Commonwealth an amount equal to the loss. However, it is a defence if the person proves that he or she took reasonable steps in all the circumstances to prevent the loss.

- (2) A person has nominal custody of public money if:
- (a) the person holds the money by way of a petty cash advance, “change float” or other advance; or
 - (b) the person has received the money, but has not yet dealt with it as required by section 10.

- (3) If:
- (a) a loss of public money occurs; and
 - (b) an official or Minister caused or contributed to the loss by misconduct, or by a deliberate or serious disregard of reasonable standards of care;

the official or Minister is liable to pay to the Commonwealth an amount equal to the loss. However, if the person’s misconduct or disregard was not the sole cause of the loss, the person is liable to pay only so much of the loss as is just and equitable having regard to the person’s share of the responsibility for the loss.

- (4) A person’s liability under this section that arises when the person is an official or Minister is not avoided merely because the person ceases to be an official or Minister.
- (5) An amount payable to the Commonwealth under this section is recoverable as a debt in a court of competent jurisdiction.
- (6) The Commonwealth is not entitled to recover amounts from the same person under both subsections (1) and (3) for the same loss.
- (7) In this section:
- loss* includes a deficiency.

16 Special Instructions by Finance Minister about handling etc. of special public money

- (1) The Finance Minister may, by legislative instrument, issue Special Instructions about special public money, including instructions about:
- (a) the custody of special public money;

- (b) the investment of special public money;
 - (c) the application of interest or other amounts derived from the investment of special public money;
 - (d) the application of special public money in paying the expenses involved in dealing with special public money.
- (2) In case of inconsistency, Special Instructions override this Act, the regulations and the Finance Minister's Orders. However, Special Instructions cannot be inconsistent with the terms of any trust that applies to the money concerned.
- (3) An official or Minister must not contravene any Special Instruction.

Penalty: Imprisonment for 2 years.

Note: Chapter 2 of the *Criminal Code* sets out the general principles of criminal responsibility.

- (4) In this section:

special public money means public money that is not held on account of the Commonwealth or for the use or benefit of the Commonwealth.

Note: Money held by the Commonwealth on trust for another person is an example of special public money.

Part 4 Accounting, appropriations and payments

Division 1 Accounts and records in relation to public money

Section 19

Part 4—Accounting, appropriations and payments

Division 1—Accounts and records in relation to public money

19 Accounts and records in relation to public money

The Finance Minister must cause proper accounts and records to be kept in relation to the receipt and expenditure of public money.

Note: Section 48 requires Chief Executives of Agencies to keep accounts and records in accordance with the Finance Minister's Orders.

Division 1A—Special Accounts

20 Establishment of Special Accounts by Finance Minister

- (1) The Finance Minister may make a written determination that does all of the following:
 - (a) establishes a Special Account;
 - (b) allows or requires amounts to be credited to the Special Account;
 - (c) specifies the purposes for which amounts are allowed or required to be debited from the Special Account.

Note: See section 32A for when the crediting or debiting of an amount takes effect.

- (1A) A determination under subsection (1) may specify that an amount may or must be debited from a Special Account established under subsection (1) otherwise than in relation to the making of a real or notional payment.
- (2) The Finance Minister may make a determination that revokes or varies a determination made under subsection (1).
- (3) The Finance Minister may make a determination that abolishes a Special Account established under subsection (1).
- (4) The CRF is hereby appropriated for expenditure for the purposes of a Special Account established under subsection (1), up to the balance for the time being of the Special Account.

Note: An Appropriation Act provides for amounts to be credited to a Special Account if any of the purposes of the Account is a purpose that is covered by an item in the Appropriation Act.

- (4A) If the Finance Minister makes a determination that allows an amount standing to the credit of a Special Account to be expended in making payments for a particular purpose, then, unless the contrary intention appears, the amount may also be applied in making notional payments for that purpose.

Note: This subsection applies to transactions that do not actually involve payments because the parties to the transaction are merely parts of the Commonwealth or acting as agents for the Commonwealth. For example, Agency 1 “pays” Agency 2 for services provided by Agency 2.

Section 21

- (5) Whenever an amount is debited against the appropriation in subsection (4), the amount is taken to be also debited from the Special Account.

21 Special Accounts established by other Acts

- (1) If another Act establishes a Special Account and identifies the purposes of the Special Account, then the CRF is hereby appropriated for expenditure for those purposes, up to the balance for the time being of the Special Account.

Note 1: An Act that establishes a Special Account will identify the amounts that are to be credited to the Special Account.

Note 2: An Appropriation Act provides for amounts to be credited to a Special Account if any of the purposes of the Account is a purpose that is covered by an item in the Appropriation Act.

Note 3: See section 32A for when the crediting or debiting of an amount takes effect.

- (1A) If an Act allows an amount standing to the credit of a Special Account to be applied, debited, paid or otherwise used for a particular purpose, then, unless the contrary intention appears, the amount may also be applied, paid or otherwise used in making a notional payment for that purpose.

Note: This subsection applies to transactions that do not actually involve payments because the parties to the transaction are merely parts of the Commonwealth or acting as agents for the Commonwealth. For example, Agency 1 “pays” Agency 2 for services provided by Agency 2.

- (2) Whenever an amount is debited against the appropriation in subsection (1), the amount is taken to be also debited from the Special Account.

22 Disallowance of determinations relating to Special Accounts

- (1) This section applies to a determination made by the Finance Minister under subsection 20(1) or (2).
- (2) The Finance Minister must cause a copy of the determination to be tabled in each House of the Parliament.

- (3) Either House may, following a motion upon notice, pass a resolution disallowing the determination. To be effective, the resolution must be passed within 5 sitting days of the House after the copy of the determination was tabled in the House.
- (4) If neither House passes such a resolution, the determination takes effect on the day immediately after the last day upon which such a resolution could have been passed.

Division 2—Drawing rights

26 Drawing rights required for payment etc. of public money

An official or Minister must not do any of the following except as authorised by a valid drawing right:

- (a) make a payment of public money;
- (b) request that an amount be debited against an appropriation;
- (c) debit an amount against an appropriation.

Penalty: Imprisonment for 2 years.

Note: Chapter 2 of the *Criminal Code* sets out the general principles of criminal responsibility.

27 Issue of drawing rights

- (1) The Finance Minister may issue a drawing right to an official or Minister that authorises the official or Minister to do one or more of the following:
 - (a) make a payment of public money;
 - (b) request the debiting of an amount against an appropriation;
 - (c) debit an amount against an appropriation.
- (2) If a law requires the payment of an amount of public money and there is an available appropriation for that payment:
 - (a) the Finance Minister must issue sufficient drawing rights to allow the amount to be paid in full; and
 - (b) the recipient of any of those drawing rights must exercise the rights in full.
- (3) If a law permits the payment of an amount of public money, but does not require the payment of that amount, there is no obligation to issue or exercise drawing rights for that amount.
- (4) The Finance Minister may at any time revoke or amend a drawing right.
- (5) A drawing right has no effect to the extent that it claims to authorise the application of public money in a way that is not authorised by an appropriation.

Division 3—Appropriations

28 Repayments by the Commonwealth

- (1) This section applies if:
- (a) an amount is received by the Commonwealth; and
 - (b) some or all of the amount is required or permitted to be repaid; and
 - (c) apart from this section there is no appropriation for the repayment.

Note: For example, this section would apply to a law that requires an application fee to be refunded to an unsuccessful applicant. It would also apply to a contractual obligation to repay a loan.

- (2) The CRF is appropriated for the repayment.

30 Repayments to the Commonwealth

If:

- (a) an amount is paid by the Commonwealth; and
 - (b) an appropriation is debited as a result of the payment; and
 - (c) some or all of the amount is repaid to the Commonwealth;
- the appropriation is increased by an amount equal to the amount repaid.

Note: See section 32A for when the increase takes effect.

30A Appropriations to take account of recoverable GST

Recoverable GST on acquisitions

- (1) If:
- (a) a payment in respect of an acquisition is made in reliance on a limited appropriation; and
 - (b) a GST qualifying amount has arisen or does arise for that acquisition;

then the appropriation is increased by the amount of the GST qualifying amount.

Note: See section 32A for when the increase takes effect.

Section 31

Recoverable GST on importations

- (2) If:
- (a) a payment of GST on an importation is made in reliance on a limited appropriation; and
 - (b) a GST qualifying amount has arisen or does arise for that importation;
- then the appropriation is increased by the amount of the GST qualifying amount.

Note: See section 32A for when the increase takes effect.

Definitions

- (7) In this section:

acquisition has the same meaning as in the GST Act.

GST has the same meaning as in the GST Act.

GST Act means the *A New Tax System (Goods and Services Tax) Act 1999*, as it applies because of Division 177 of that Act.

Note: Under Division 177 of the GST Act, that Act applies notionally to the Commonwealth and Commonwealth entities. They are therefore notionally liable to pay GST, are notionally entitled to input tax credits and notionally have adjustments.

GST qualifying amount means:

- (a) an input tax credit (within the meaning of the GST Act); or
- (b) a decreasing adjustment (within the meaning of the GST Act).

importation has the same meaning as in the GST Act.

limited appropriation means an appropriation that is limited as to amount.

31 Relevant Agency receipts

- (1) This section applies if an Agency receives an amount of a kind prescribed by the regulations for the purposes of this section.
- (2) The amount specified in the most recent departmental item for the Agency is taken to be increased by an amount equal to the amount received by the Agency.

Note: See section 32A for when the increase takes effect.

(3) In this section:

departmental item means a departmental item in an Appropriation Act.

32 Transfer of Agency functions

(1) This section applies if a function of an Agency (the *transferring Agency*) is transferred to another Agency, either because the transferring Agency is abolished or for any other reason.

Adjustments to appropriations

- (2) The Finance Minister may determine that one or more Schedules to one or more Appropriation Acts are amended in a specified way. The amendment must be related to the transfer of function.
- (3) Each Appropriation Act concerned has effect as if the Schedule concerned were amended in accordance with the determination.

No change in overall appropriation

(4) A determination under subsection (2) cannot result in a change in the total amount appropriated.

Transfer of function between Departments of the Parliament

(5) If the transfer of function is between Departments of the Parliament, the Finance Minister must not make a determination under subsection (2) unless it is in accordance with a written recommendation of the Presiding Officers.

No extension of time limits

(6) A determination under subsection (2) does not have the effect of extending any time limit that applies to an appropriation.

Legislative Instruments Act

(7) A determination under subsection (2) is a legislative instrument, but neither section 42 (disallowance) nor Part 6 (sunsetting) of the *Legislative Instruments Act 2003* applies to the determination.

Part 4 Accounting, appropriations and payments

Division 3 Appropriations

Section 32

- (8) Despite subsection 12(2) of the *Legislative Instruments Act 2003*, a determination under subsection (2) of this section may be expressed to take effect before the day it is registered under that Act (including before the day on which it is made).
- (9) Nothing in subsection (8) authorises expenditure under an appropriation that did not exist at the time of the expenditure.

Division 3A—Recording of amounts in accounts and records

32A Recording of amounts in accounts and records

Special Accounts

- (1) The crediting of an amount to a Special Account, or the debiting of an amount from a Special Account, takes effect at the time an entry connected with the crediting or debiting is made in the accounts and records of the Agency concerned.

Repayments to the Commonwealth

- (2) The increase to an appropriation in accordance with section 30 takes effect at the time an entry recording the repayment concerned is made in the accounts and records of the Agency concerned.

Recoverable GST

- (3) The increase to an appropriation in accordance with subsection 30A(1) or (2) takes effect at the time an entry recording the GST qualifying amount is made in the accounts and records of the Agency concerned.

Relevant Agency receipts

- (4) The increase to an amount in accordance with subsection 31(2) takes effect at the time an entry recording the receipt of the amount mentioned in subsection 31(1) is made in the accounts and records of the Agency concerned.

Division 4—Miscellaneous

33 Finance Minister may approve act of grace payments

- (1) If the Finance Minister considers it appropriate to do so because of special circumstances, he or she may authorise the making of any of the following payments to a person (even though the payment or payments would not otherwise be authorised by law or required to meet a legal liability):
- (a) one or more payments of an amount or amounts specified in the authorisation (or worked out in accordance with the authorisation);
 - (b) periodical payments of an amount specified in the authorisation (or worked out in accordance with the authorisation), during a period specified in the authorisation (or worked out in accordance with the authorisation).

Note: See also subparagraph 65(2)(a)(ia) (which allows regulations to be made about the Finance Minister considering a report from specified persons before authorising a total amount that is more than a specified amount).

- (3) Conditions may be attached to payments under this section. If a condition is breached, the payment may be recovered by the Commonwealth as a debt in a court of competent jurisdiction.

Note: Act of grace payments under this section must be made from money appropriated by the Parliament. Generally, an act of grace payment can be debited against an Agency's annual appropriation, providing that it relates to some matter that has arisen in the course of its administration.

34 Finance Minister may waive debts etc.
