About this list

Requirement to provide list for tabling

This list of legislative instruments has been prepared for laying before each House of Parliament in accordance with section 52 of the *Legislation Act 2003* (the LA).

This list sets out the legislative instruments that are due to sunset (that is, to be repealed by section 50, 51 or 51A of the LA) on 1 October 2019.

Under subsection 52(2) of the LA, the Attorney-General must arrange for this list to be laid before each House of the Parliament on the first sitting day of the House on or after 1 April 2018.

This list was up-to-date when prepared on 13 March 2018.

Structure of list

To assist the reader, the instruments are grouped by administering department, consistent with the Administrative Arrangements Order last amended on 20 December 2017.

If a department is not mentioned in the list, the department does not have any legislative instruments due to sunset on 1 October 2019. If 2 or more departments administer a legislative instrument, the instrument is listed under each department and an asterisk (*) included beside the instrument name.

More information about instruments on list

The full text of each listed instrument and information about its current status is available on the whole-of-government Federal Register of Legislation (<https://www.legislation.gov.au>).

Further information about an instrument may be requested from the administering department or its relevant agencies.

Next list

A list of all the instruments that are due to sunset on 1 April 2020 is required to be tabled on the first sitting day on or after 1 October 2018.
